

EYE OF THE TIGER!

Holmfirth JIN Newsletter September 18 2015

It's been another busy week, with such a variety of learning, inside and outside school. Walking around school, at the beginning of each day, sees a hive of reading industry. Groups occupy every perceivable space, and it is lovely to observe such enjoyment and focus. We are fortunate to have so many adults working with children on a voluntary basis. This really does make a difference and we are very grateful for such support. Year 2 harvested blackberries this week, around the grounds, although I haven't tasted any crumble yet! Once again, the success of this venture was a result of adult help.

Mission Possible Phase 2 is now complete: the children and staff are looking forward to exploring such activities as the mud kitchen, water feature and den-making poles from next week. The rewards of numerous fund-raising activities are now being seen.

Our e-mail contact system should be up and running from next week. We hope that this proves to be an effective and efficient way of sharing important information with you.

In our Thursday Assembly, we celebrated Top Lunchtime Tigers, Energy Efficiency champions, and Compulsive Cleaners, in addition to those children nominated by their teachers.

Next week, Year 5 set off on their residential visit to Cliffe House, to undertake activities including, bushcraft, pond dipping and team building.

Finally, I would like to share the excellent feedback given by two teachers, who provided supply cover this week. Both teachers were extremely complimentary about the children's attitude to learning, and to one another.
