1. Admission arrangements for Kirklees community and voluntary controlled schools for the school year 2018/19

- These schemes are intended to comply with The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 and the School Admissions Code 2014. The School Admissions Code ('the Code') has been issued under Section 84 of the School Standards and Framework Act 1998 ('SSFA 1998'). The Code has been made following a consultation under Section 85(2) of the SSFA 1998.
- Some community or voluntary controlled schools in Kirklees may become an own admission authority by converting to academy status or changing category to trust or voluntary aided status during the life of these arrangements. Any school that becomes an own admission authority during the period of these schemes assumes the responsibilities of an admission authority from the date of change of status / category.
- Please consult the websites of Kirklees and other admission authorities to obtain the most up to date information.
- There are no changes to the Priority Admission Areas (PAA's) in Kirklees for 2018-19 however, a project is underway to conduct an in depth review of Admissions arrangements in Kirklees, including the priority admission areas and the way priority is given to applications. This did not feed into the consultation on admission arrangements for 2018/19 admissions, however engagement with key partners, including Kirklees admission authorities, Governing Bodies and School Leaders as part of the review process will take place during the Spring and Summer terms of 2017. It is intended that the outcome of that review will inform the consultation arrangements for 19/20.
- Following the publication of the Government's White Paper, 'Educational Excellence Everywhere', as well as previous communication from ministers there are indications that the DFE will undertake a consultation process on potential changes to the School Admissions Code, including changes to the admission of summer born children and a potential requirement for In-Year coordination and Admissions Appeals to be coordinated via the Local Authority. At present, a new Code has not yet been published and therefore there are no proposals to consider those potential changes as part of this process.
- Following the successful implementation that took place in September 2015, all applications for children starting school for the first time, or transferring to the next stage of schooling are made online only. Alongside the in depth review of admissions, the Council will be trialling and testing a digital by design approach for in-year applications. This means all applications are expected to be made online by September 2017. As such, the administrative process has been updated to reflect this.

A. Published Admission Numbers (PANs) and Priority Admission Areas (PAAs)

Published Admission Numbers (PANs)

All schools have a Published Admission Number (PAN or admission number). This is the maximum number of places that the school can offer in each year group. This section explains how we have arrived at the proposed Published Admission Numbers based on the workplace range for each school.

In order to comply with the statutory timetable, the LA must consult the governing body of each community and controlled school about the PAN (and other admission arrangements) 18 months before it comes into effect. PANs for September 2018 must have been consulted on by 31 January 2017.

The table on pages 11 to 18 indicates the PAN for each year in a school.

Where a change is made to the PAN for a particular year of entry (the relevant year), it applies to that cohort of pupils only, at admission and in successive years as the pupils progress through the school.

In order to be consistent when proposing PANs for each community and controlled school the Kirklees LA considers the following:

- **The Net Capacity Calculation**

The internal measurement of a school produces a maximum number of workplaces and a minimum number which is normally 90% of the maximum. We call this 10% spread between the maximum and minimum workplaces the 'range'.

The net capacity of a school is subsequently determined as the agreed PAN multiplied by the number of age groups at the school provided that this figure falls within the 'range' of workplaces. If a PAN is chosen which (when multiplied by the number of year groups) does not fall within that range, the Net Capacity is set as the nearer of either the maximum or the minimum number of workplaces.

Nursery space is excluded from the net capacity measurement, therefore, this age group is also excluded from the calculation.

The net capacity calculation estimates the impact of a sixth form group on the entire school and provides a proportion of a year group. For example, an 11-18 secondary school with a sixth form may have 5.42 year groups (five statutory age groups plus 0.42 equivalent full-size age groups of sixth form students).

- **Flexibility in setting PANs**

The range of workplaces calculated for each school allows Kirklees some discretion in setting the PAN to take account of a school's particular circumstances and governors' views. The Authority's expectation is that, in most cases, PANs will be set within the range with appropriate and realistic regard to the likely demand for places.

- **PANs outside the range**

Kirklees may set a PAN above the range for the following reasons:

- to accommodate all in-area children who apply on time for the first year in school
- where it has been agreed that the school should expand
- where the school accepts that they can accommodate children above the range without the need for extra accommodation.

Priority Admission Areas (PAAs)

In Kirklees each community and voluntary controlled school has an area identified as its Priority Admission Area (other LAs refer to catchment areas). A small number of schools share priority areas; these are known as shared priority areas. Full details of priority areas are available on the Kirklees Council website.

B. Changes for 2018/19

The following changes will be made to the admissions arrangements for community and voluntary controlled schools for 2018/19.

- **Published admission numbers (PANs)** for community and voluntary controlled schools in Kirklees
 - The attached table on page 8 indicates the PAN for each year in a school.
 - Where a change is made to the PAN for a particular year of entry (the relevant year), it applies to that cohort of pupils only, at admission and in successive years as the pupils progress through the school.

C. Current school organisation proposals

Kirklees Cabinet are proposing to bring together Honley CE (VC) I & N School and Honley CE (VC) Junior School to create an all-through primary school for pupils aged 3-11 years from 1 May 2017. This will reduce the number of transitional changes between school phases for those children already on roll or entering Honley CE (VC) I & N School in the future.

D. Determined Admission arrangements for Kirklees community and voluntary controlled schools for 2018/19

1. Admission Criteria

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The proposed Kirklees admission criteria for community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school's Priority Admission Area (PAA) who have a brother or sister attending from the same address at the date of admission (the sibling rule);
3. children who live in the school's PAA;
4. children who live outside the school's PAA who have a brother or sister attending from the same address at the date of admission (the sibling rule);
5. children who live outside the school's PAA.

Community and controlled schools will admit a child with Special Educational Needs where the school is named on the Statement or Education Health and Care Plan.

2. Linked infant and junior schools

There are several combinations of infant and junior schools in Kirklees. These are shown in the list below. The majority of children transfer from the infant school to the linked junior school. It is proposed to strengthen the admissions criteria for linked infant and junior schools to increase the continuity for children to a level comparable to that in an all-through primary school

*On 18 October 2016 a report was taken to Cabinet seeking permission to begin a consultation on proposals to bring together Honley CE (VC) I & N School and Honley CE (VC) Junior School to create an all-through primary school for pupils aged 3-11 years from 1 May 2017. Cabinet agreed for consultation to take place, this will happen between 31 October – 9 December 2016. If approved, pupils who would

¹ Please see admission policies on the websites for both schools

be in year 2 in 2018/19 (and each year thereafter) would not need to fill in an application to transfer from the Infant to the Junior School.

3. Admission criteria for linked infant and junior schools

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The proposed Kirklees admission criteria for linked infant and junior, community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school's Priority Admission Area (PAA) who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
3. children who attend a listed infant school (with priority for the linked junior school)
4. children who live in the school's PAA;
5. children who live outside the school's PAA who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
6. children who live outside the school's PAA.

Community and controlled schools will admit a child with Special Educational Needs where the school is named on the Statement or Education Health and Care Plan.

4. Notes

- a) The definition of a 'looked after child' is a person under the age of 18 who is provided with accommodation by a local authority, acting in its social services capacity, for a continuous period of more than 24 hours, by agreement with the parents or in accordance with section 22 of the Children Act 1989. Previously Looked After refers to those children who immediately after being looked after became subject to an adoption order, (under section 46 of the Adoption and Children Act 2002), residence order (under Section 8 of the Children Act 1989), or specialist guardianship order (under Section 14A of the Children Act 1989). Children looked after under an agreed series of short term placements (respite care) are excluded
- b) Children in priority 1 above may be admitted above the PAN.
- c) If we cannot agree to requests for admission in priorities 2 to 5 above without exceeding the PAN, we will give priority up to the PAN to children living nearest the school.
- d) Distance is measured in a straight line from a child's home address to the school. Measurements are calculated using six-figure National Grid Co-ordinates from the National Land and Property Gazetteer. This grid reference relates to a point that falls within the permanent building structure corresponding to the address. The boundary of the building structure for the address is from Ordnance Survey's MasterMap. For smaller, residential properties the grid reference marks a point near the centre of the building. For larger properties like schools with, for example, multiple buildings and large grounds, the grid reference relates to a point inside the main addressable building structure. The distance calculated is accurate to within 1 metre.

For all-through schools located on two different sites, Kirklees LA will measure the distance to each site in a straight line from the applicant's home address and the shortest distance will be used for admission purposes.
- e) 'Live' means the child's permanent home at the date when applications close or, if a significant house move is involved, the latest reasonable date before the final allocation of places (see section 5d on page 5).

- f) Where a child's parents live at different addresses and the child spends time at each address, we will consider the following factors as part of our decision making process when deciding on the address which we will use for admissions purposes:
- the amount of time spent at each address
 - which parent has parental responsibility for the child
 - who receives child benefit for the child
 - where the child is registered for medical and dental care
 - any residency or custody orders made by the courts.
- We will ask for documentary evidence to support information given about the above points before a decision is made. Each case is looked at on an individual basis.
- g) For children transferring from first or middle schools, we will give preference in priorities 2-5 above (up to the PAN) to children attending a first or middle school in the middle or secondary school PAA.
- h) A PAA means a geographical area determined by Kirklees in consultation with the governing body of the school. It is called this because children living there normally have priority for admission over children who live elsewhere. It is also referred to as the catchment area.
- i) Children with Statements of Special Educational Needs or Education Health and Care Plans are admitted to mainstream schools, special units and special schools separately from the general admission policies, but we do ask families to complete the online application if they would like to name a mainstream school as one of their preferences.
- j) **It is important to note that attending a school nursery or pre-school setting on a school site does not give any priority for a place in that primary/infant community/voluntary controlled school and there is no automatic transfer. Some own admission authority schools may give priority to an application for a place in Reception for those children who attend their nursery. Information can be found on those individual school's websites in their admission policy.**

5. Application Procedures

a) Transfer to secondary school

Kirklees residents will apply for a secondary school place by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2017. The closing date for applications will be 31 October 2017.**

b) Transfer to junior or middle school

Kirklees residents will apply for a junior or middle school place by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2017. The closing date for applications will be 15 January 2018.**

c) Admission to full-time school for rising five year old children

Kirklees residents will apply for admission to full-time school (rising five year old children) by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2017. The closing date for applications will be 15 January 2018.**

d) Late applications

Applications received after the appropriate closing date will be regarded as late unless, in Kirklees' judgment, there are significant and exceptional reasons for the lateness. Proof of special circumstances will be required.

Late applications are not considered until all on-time applicants have been allocated places.

Applications submitted after the closing date due to a significant house move will be regarded as on-time provided that suitable documentary evidence to confirm the move is provided by the following deadlines in time for the allocation process.

For year 7 and year 9 applications - It is expected the allocation process will take place on 18 January 2018. The latest reasonable date for evidence of a significant house move will therefore be 31 December 2017.

For Reception, year 3 and year 6 - It is expected that the allocation process will take place on 16 March 2018. The latest reasonable date for evidence of a significant house move will therefore be 16 February 2018.

e) Waiting lists

A child's name will automatically be placed on the waiting list for any Kirklees community or voluntary controlled school where they have been refused a place in the school's normal year of entry, eg, Year 7 at secondary school.

The waiting lists will be held in admission criteria order and will close on the last school day in December.

For in-year admissions, the waiting list will be held for the remainder of the term for which they have applied for a place.

f) In-year admissions

Kirklees residents who wish to apply for a place in the first year at a school after the first school day in September 2018, or to any other age group at any time, will apply on the In-year Common Application Form (ICAF). It is intended that this will be an online process from September 2017 onwards.

g) Twins / multiple births

A twin or sibling from a multiple birth can be admitted as an excepted pupil into an infant class, where admission of more than one of the siblings would exceed the infant class size limit of 30 pupils, such cases would be examined on an individual basis.

h) Flats

In the event of two or more children living equidistant from the school, eg, blocks of flats, the place will be decided by drawing lots, the first name drawn out of the bag will be offered the place.

i) Rising five year old children

Full time places will be available from the September following a child's fourth birthday.

Parents may defer their child's entry until later in the school year and the allocated place will be held for the child. Parents may not defer entry beyond the beginning of the term in which the child reaches their fifth birthday, nor beyond the school year for which the original application was accepted.

Parents can request that their child takes up the place part-time until the child reaches compulsory school age.

j) Children of Service Personnel

Kirklees Council is signed up to the armed forces Community Covenant, which is a pledge made by the government to ensure that the armed forces and their families are not disadvantaged as a result of their service. As part of the co-ordinated process applications from armed forces families are reviewed on an individual basis to ensure they are not disadvantaged, and, Kirklees LA may ask schools to consider admission over PAN if this is felt to be necessary. If an alternative school place cannot be secured by normal processes, the application may be considered under Fair Access Protocol.

Children of service personnel and crown servants returning from overseas to live within Kirklees, will be allocated a school place in advance of their arrival. The application must be accompanied by an official letter declaring the relocation date and postal address. The allocation will be based upon the anticipated postal address.

k) Summer born children (children born between 1 April and 31 August)

The majority of parents apply and take up a reception place in the school year in which their child will reach the age of five (rising fives). All children are entitled to a full time place in the September following their fourth birthday. However, the legal starting age for full time education is the start of the term following the child's fifth birthday and parents may request that their child's entry is deferred until later in the same school year or until the term in which the child reaches compulsory school age.

Kirklees Council receives a small number of enquiries from parents (whose children are 'summer born') to defer their entry to school until the September following their fifth birthday.

In many of these cases in line with parental/carer wishes, and, in the general view of Kirklees Council, where a request is made for a deferred entry of a 'summer born' child, a place would be offered in Year 1 as this enables the child to remain within their chronological age group. However, in such circumstances, parents are able to request that their application is considered as part of the normal round for a place in Reception. The non statutory Department for Education (DfE) Guidance states;

- School admission authorities are required to provide for the admission of all children in the September following their fourth birthday, but flexibilities exist for children whose parents do not feel they are ready to begin school at this point.
- School admission authorities are responsible for making the decision on which year group a child should be admitted to, but are required to make a decision based on the circumstances of the case.
- There is no statutory barrier to children being admitted outside their normal year group.

All requests for such transfers will be explored with the parent/carer on an individual basis.

'Advice on the Admission of Summer Born Children' (DfE, July 2013)

l) Admission of children outside chronological year group

It is the general view of Kirklees Council that all children and young people will complete their primary and secondary education in school year groups according to their chronological age. It is also the general view of the Local Authority that moving pupils into older or younger year groups is usually not in their best educational, social or emotional interests. This includes either early or late admission to primary school or early or late transfer to secondary school.

The National Curriculum sets out a clear, full and statutory entitlement to learning for all pupils. In addition, schools in Kirklees deliver an offer which supports access to high quality differentiated

education. This should ensure that a pupil's curricular needs are met without either early or delayed transfer to the next phase of schooling being necessary other than in exceptional circumstances.

It is for individual admission authorities to consider requests for placement out of the chronological age group. Kirklees Council is the admission authority for community and voluntary controlled schools. The governing body is the admission authority for foundation and voluntary aided schools and the academy trust is the admission authority for academies and free schools.

All requests for such transfers will be explored with the parent/carer on an individual basis.
