

Holmfirth JIN: Y3 Whole School Learning Project 3 - Animals

Weekly Maths Tasks – Try to do at least one every day.

- Count in 2's, 5's and 10's- you could use the YouTube videos we like

Just type in count in 2's.....5's....or 10's

- You could have a look at the Maths games on Oxford Owls, you can sequence numbers, add, take away, tell the time, sort 3D shapes.

- Write your numbers to 10, see which ones you haven't formed correctly. Keep practicing the ones you find hard.

- Play save the whale on ict games and practice your number bonds

<http://www.ictgames.com/saveTheWhale/>

Weekly Reading Tasks Make sure that you find time to read at least once a day.

- Read a book on [Oxford Owl](#)

All these look like really good books that you could read. They are all free to use.

- Read a book you have at home
- Read a story or play a word game on Starfall (a bit American, but good practice)

Weekly Spelling Tasks – Try to do at least one every day.

- Spend a bit of time most days on [Nessy](#).

Twinkl – Code **CVDTWINKLHELPS** for free access

This is a Twinkl phonics game- type in Farm Phonics Continue to practise writing the Phase 3 tricky words. If you can do them all now, start trying some of the Phase 4 tricky words.

Weekly Writing Tasks – Try to do one each week.

- Practise forming all your One-armed robot letters correctly

(If you have a printer there are lots of sheets to help with this on sparklebox)

- Write a little story, start with One day on the farm.....
- Help a grown up to write an email to me, it would be lovely to hear from you.
- Draw a picture of an animal you have

seen and write about it.

Learning Project 3 – Farm Animals and their babies

I thought it would be nice to do a mini project about the lovely animals you might be seeing in the fields at the moment, when you go out for a walk.

There are some nice projects on Purple Mash

Draw animals on a farm background

Draw a chick on an egg background

Explore the farm on Simple City

There are some nice activities on **Twinkl** – Code **CVDTWINKLHELPS** for free access.

What am I? Powerpoint guessing Game.

Things to make

Let's Wonder: Watch Come Outside on YouTube- A wolly Jumper

Come Outside - A Woolly Jumper

ComeOutsideTV • 590K views • 8 years ago

Auntie Mabel runs out of wool to finish the sweater she is making for her sister Edie. She goes to find some wool, and along the ...

Be Active:

Your daily exercises might be Joe Wicks at 9am each day
Go Noodle also has dances that are based around animals!

We recommend that you do at least 2 hours of exercise a week.

Reflect: Think about what you have been doing this week. What has been the best thing that has happened and what might you do differently next week?

Time to Talk:

Find out which animals are favourites in your family, you could make a tally chart.
