

Hello Reception children, parents and carers,

I hope you have had a good week even though it hasn't been quite as sunny. I hope you enjoyed your space topic.

I haven't made any pebbles this week, I have been using my pebbles to make some flowers in my garden. I did find a nice pebble though, have you seen any yet?

Thank you to everyone who has sent an email this week. Don't forget you can send an email to the office at school and they will pass it on to me if you want, you can let me know what you have been doing.

Spencer Bear wasn't very impressed with the things I picked in the garden yesterday! Do you know what they all are? Maybe I will have to get some bees!

I want **some**  
honey?

Did you notice Spencer Bear used a tricky word again?

Well I had better get on with my work! I miss you lots and will write again soon.

Love from Mrs Price xxx

Last week's puzzle answers:-

1. little
2. said
3. have

Could you read all these tricky words?

This week's puzzle, can you work out what the missing numbers are?

1. 9  11

2. 14  16

3. 20  18
