

Hello everyone!

As all the teachers have been busy writing to you Mrs Brown and I thought it was about time we wrote you a quick letter to tell you how we have been getting on.

In the first two weeks we were both in school as there was so much to do – and it was lovely and quiet and we got so much work done! After that though it began to get a bit boring sitting in silence and not being able to tell Year 5 and Year 6 off for being noisy.

We now split the week between us – I am in school on Monday and Tuesday and work at home on Wednesday and Thursday and Mrs Brown is in school at the end of the week, Wednesday to Friday.

We have enjoyed receiving your emails to send on to the teachers (we do read them!) and we have loved to hear about the things you have got up to whilst we haven't been able to come to school.

Mr Rose has turned the main corridor into a golfing range. I would not be surprised if you could hear the cheers at home when someone gets a hole in one! Although everyone has been warned if anyone breaks anything they will be on the corridor at lunchtime for a week.....

So, we really need you back, before the teachers manage to break the school (or us). Until then we will continue to look after the office, the Tigers and your emails.

Take care of yourselves, and your parents (who really are trying their very best to be your teachers) and we hope that we will all be back in school once again and we can tell you to be as noisy as you want (for the first day back at least).

From Miss Sykes and Mrs Brown
