

Year 6 Writing Challenge Number 3

Thank you so much for your stories so far – they have all been excellent and very enjoyable to read. Here is the stimulus for the next one...

Henrietta and Trevor were cycling through the woods near Sands when Trevor noticed a tree trunk that looked like it had been sliced with a red hot poker. Puzzled, the two children stopped and took a closer look. They couldn't see anything near the tree but they could smell the acrid stench of the burning bark. Henrietta turned away and as she did, she caught a glimpse of a metal capsule lying on the ground. It was about the size of a large beach ball and from the centre came a flashing light and some very peculiar beeping noises.

I am not sure where you guys are going to take this one but I reckon there will be some cracking ideas!

Theme: Sci-Fi

Have fun and keep safe.
