

Holmfirth JIN: YR Whole School Learning Project 4 - Sport

Weekly Maths Tasks – Try to do at least one every day.

- Count in 2's, 5's and 10's- you could use ict games, whack a mole. The sliders on the left allow you to set steps of 2, 5 or 10. I've counted in 2's to 20, or you could do 10's to 100 or 5's to 50 (or 100)

<https://www.ictgames.com/mobilePage/whackAMole/index.html>

- Children need to be able to read numbers to 10. Make a grid and some number tickets, see if your child can match the tickets to the grid.

ten	seven	two	three	five
one	nine	four	eight	six

- How are we doing with number formation? Keep practicing any you find difficult.
- Practise your adding and subtracting or your 1 less than at snack time.

Then do $6 - ? = ?$

Write the sums on a piece of paper or say 1 less than 10 is ... 1 less than 9 is....

Weekly Reading Tasks Make sure that you find time to read at least once a day.

Read a book on [Oxford Owl](#)

These books are on page 2. They are longer stories and therefore you may need to read them over a couple of days, or alternate read a page, listen to a page.

All these look like really good books that you could read. They are all free to use.

- Read a book you have at home
- Read a story to your child, you could link it to the After you've read the story see if your child can retell the story.

Weekly Spelling Tasks – Try to do at least one every day.

- Spend a bit of time most days on [Nessy](#).

Twinkl – Code **CVDTWINKLHELPS** for free access

Weekly Writing Tasks – Try to do one each week.

- Practise forming all your Ladder Letters correctly

Carry on with the powerpoint activities on twinkl you download last week. Practise any of your phase 3 or phase 4 activities. Check you know all your phase 2, 3 and 4 words, if you know them all you might want to have a go at phase 5.

Phase 2 to 5 Tricky Words			
Phase 2	Phase 3	Phase 4	Phase 5
1	he	said	oh
no	she	have	Mrs
the	we	like	people
to	me	so	their
go	be	do	called
into	you	some	Mr
	are	come	looked
	her	little	asked
	was	one	could
	all	were	
	they	there	
	my	what	
		when	
		out	

(If you have a printer there are lots of sheets to help with this on sparklebox)

- Make a picture of your favourite sport and write 2 sentences about it.
- Write a list of all the sports you know.
- Practise your alliteration, think of a word to go with your list of sports.
Silly skipping
Funny football
Rabbit running etc.
- Think of a rhyme for each sport
Skip trip
Hop shop
Swim trim etc.

Learning Project 4 – Sport

Our whole school project this week is ‘Sport’.

There are some nice projects on Purple Mash

Decorate your own trainers

Read Anna's Sports day and do the quizzes.

Visit the park

The all about me football sheet is on twinkl.

Make a spinner and play with your family

Play sight word soccer

Writing tray

Sports Day

Sight word soccer put tricky words, number words, digraphs on cones, plastic bottles, chalk on the path-

use balls, bean bags, hoops to practice aim and control at the same time as practicing reading ☺

Writing tray use salt and glitter, flour, sand, oats, shaving foam in a tray and make some flash cards with the tricky words or number words and let children practice writing them. Watch out for letter formation, we have practiced curly caterpillar letters, one armed robot letters, zig zag monster letters and ladder letters, keep reminding children. ☺

Sports Day Have a mini sports day or set up an obstacle course, you could even have certificates!

Watch some sports videos on YouTube- Life with the large family sports day, Peppa Pig sports day, Little Princess It's Sports Day.

Reflect: Talk about taking turns, being fair, winning and losing, taking part.

Be Active:

Your daily exercises might be Joe Wicks at 9am each day

You could learn a new sport or carry on practising something you find hard. Ride your bike, through and aim things, walk on a line, skip, hop or hula hoop.

We recommend that you do at least 2 hours of exercise a week.

Time to Talk:

Find out which sports are favourites in your family, you could make another tally chart.
