

**Holmfirth**  
Junior, Infant and Nursery School

Dear Nursery children,

How are you all? I hope you have managed to stay cool during the hot weather we've been having. I hope you are enjoying the home learning and have found out lots of interesting facts about the planets, moon and stars.

I have been busy watering my garden this week. My courgettes, strawberries and carrots are growing well. I hope the slugs and snails don't eat them!

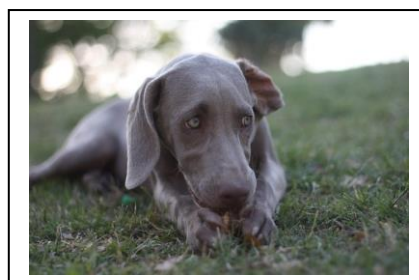

Do you know what sound carrot and courgette start with? Can you see the carrots are growing under the ground, can you think of any other vegetables that grow under the soil?

Here is a picture of my dog Lola. I am not looking forward to taking her for a walk in the rain and the wind!

Looking forward to hearing from you.

Love from Mrs Charlesworth. x
