

Hello Reception children, parents and carers,

I hope you have had a good week. The weather hasn't been quite so lovely, it rained really hard didn't it? I think the plants in the garden liked it though. There is a very famous saying from a story about a flower seller called Eliza Doolittle, see if you can read it.

The rain in Spain falls mainly
on the plain.

Do you know the nursery rhyme, Mary, Mary quite contrary how does your garden grow? (<https://www.youtube.com/watch?v=61vDyFc7bsI>) This week's science is about things that grow in the garden. Look out for this later in the week.

Spencer bear says: -

Keep up the
good work.

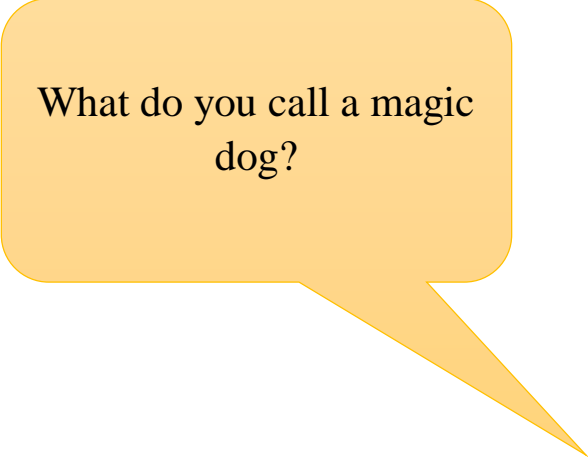

This week's whole school learning project is 'magic.' Don't forget you can send any of your work for us to see at our new home learning email address.

homelearning.holmfirthjin@kirkleeseducation.uk

Thank you to everyone who has sent an email this week. I have seen lots of lovely photographs, heard about lots of super work and it makes me feel really happy to know you are keeping up with your learning at home.

Love from Mrs Price xxx

What do you call a magic dog?
