

Hello Reception children, parents and carers,

Well what a term! We were having such a fantastic time in Reception this year. Let me tell you why I was loving being your teacher?

I feel sad we didn't get to spend all the year together. I have absolutely loved some of our lockdown time though. Here are some of my lockdown highlights.

1. Seeing some of your smiling faces – over walls, on a walk, on videos and in photographs.
2. Talking to some of you on the phone.
3. Receiving emails – hearing and seeing what you have been doing.
4. Receiving letters – through the letterbox and over the garden wall. 😊
5. Finding vegetable plants on my doorstep 😊 and seeing photos of your vegetables.
6. Seeing how you have carried on learning, being creative, exercising, learning new skills and having fun.

and

There will be 4 lots of home learning over the Summer holiday. See if you can have a go at some of the activities and keep up your learning. Don't forget to have a really lovely summer too. Thank you so much to all the children, it was short but very sweet. Thank you also to all the support and kindness that you as parents and grandparents have shown to me and to the school and to the class. I have included a certificate if you would like to print it off and stick a photograph on as a keepsake.

I know you may have some concerns about September and the transition from home back to school. Remember how well all the children came into school last September, they will do it again! There will be lots of support and care. Take care, keep smiling, keep waving and thank you again.

Love from Mrs Price xxx
