

Practise your  
number formation.

# Maths

YR R

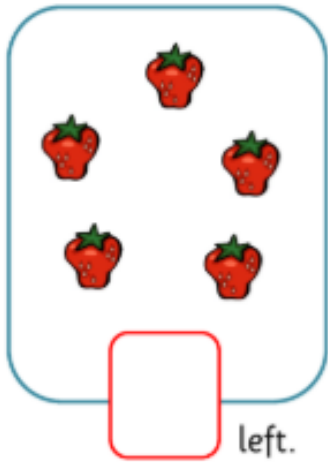

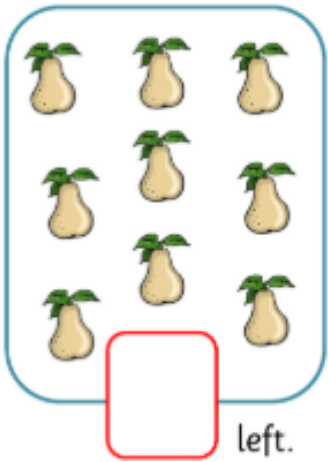

Monday

Cross out 2 fruits from each set. How many are left?

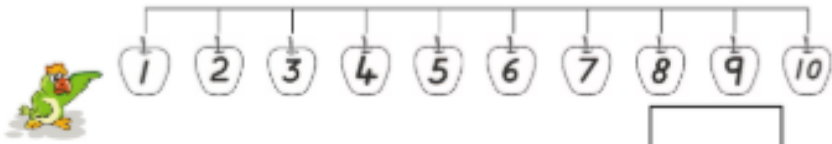

Cross out 2 fruits from each set. How many are left?

Try writing some of the questions as a sum. The sum for the 1<sup>st</sup> question would be  $8 - 2 = 6$

# Tuesday

Use the number line to help you add these numbers:

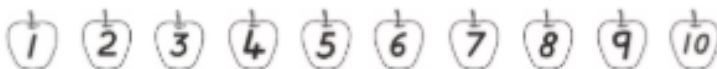

2 and 3

4 and 1

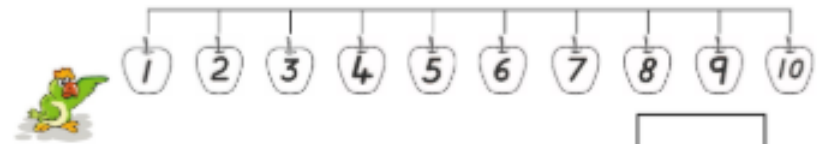

3 and 5

1 and 3

2 and 2

Use the number line to help you add these numbers:

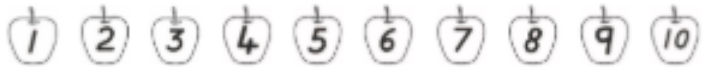

5 and 2

2 and 4

1 and 5

4 and 5

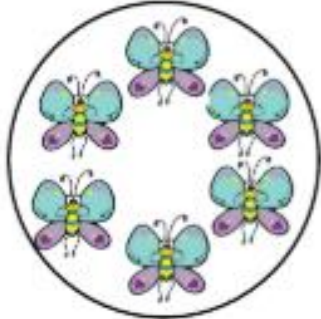

3 and 3

# Wednesday

Remember to put a mark on each one when you have counted it. You don't want to count the same one twice!

Draw a line joining each set with the matching number.

1		
2		
3		
4		
5		
6		
7		
8		
9		

Draw a line joining each set with the matching number.

1		
2		
3		
4		
5		
6		
7		
8		
9		

# Thursday

1. Colour the second penguin from the fish.

2. Colour the third penguin from the fish.

3. Colour the first penguin from the fish.

4. Colour the fourth penguin from the fish.

1. Colour the fourth penguin from the fish.

2. Colour the fifth penguin from the fish.

3. Colour the third penguin from the fish.

4. Colour the second penguin from the fish.

1. Fill in the gaps in the number line.

2. Fill in the gaps in the number line.
