

# Holmfirth Summer Home Learning

Go out and take pictures of your local area.

Can you put them together and create a map?

Make a weather diary for your local area. Investigate the symbols that are usually used or make up your own. Which symbol is used most often. Use a bar chart to show this.

Look out of the window. Sketch everything you can see [here](#) is a video which will help you draw things closer and further away.

Go on a walk or a bike ride. Make a map of your journey? Remember to use a key. If you can't get out, you could make a plan of where you would like to go. What will you see?

**Journey around the world in 49 days!**

**Week 1**

**'A grand day out!'**

**EYFS/KS1**

Design and make your picnic lunch for your day out. Write a list of the things that you will need to take with you. Check the weather!

Make up a song for your day out. 'We're Going on a Bear Hunt' is a great backing to use to alter your words. How funny can you make it? Maybe your family will be singing this in years to come!

It's time for a nature hunt around your garden, local park or near home. Write a list of 10 natural things you can find.

On your nature walk, collect natural materials and then make a picture when you come home.
