

Hello Year 1!

It is so lovely to be able to write to you! I've been thinking a lot about you all over the past few days as I get everything organised for September.

I'm very much looking forward to seeing you in the next school year. I am lucky enough to know some of you already-from when you were in Nursery. For other people, I might have sung or done R.E. with you, but that's about it. So I'll be able to get to know lots of new faces and families over the next academic year!

In case you don't know me very well, here are some facts about me! I live in Slaithwaite with my fiancé Dan and love spending time outside walking. I'd love to know something about you all for when we get back to school in September. Could you fill a bag with 5 items which explain more about you and bring it to school during the first week back?

I've asked some of the Year 2 children to make this poster so that you know what exciting adventures we get up to in Year 2! My favourite part is the Christmas Performance! I know you and your families are likely to have lots of questions about how Year 2 works. I'll send out an information letter on the first day back which should answer some of your queries! I'm excited to have you with us already!

Until then, have a great time over the Summer Holidays

Miss Clayton and Miss Todd
