

Hello to our new Reception class,

We are really looking forward to meeting you all in September. We hope you have a lovely Summer holiday, let's hope we have some more sunny weather.

When we start school our topic will be 'growth.' We will be thinking about how you have grown, how seeds and plants grow and how animals grow.

I wonder what you will be looking forward to?

I wonder if there will be anything you will be worried about?

Hopefully you will be really excited, we think Reception is a really happy, fun place to be. You will be able to learn lots of new things, everyone will be very friendly and look after you.

See you all soon.

Lots of love your teachers

Mrs. Price and Mrs. Rose
