

Hi Everyone,

My name is Miss Jackson and as of September I will be your Year 1 teacher.

I am really looking forward to meeting you all and cannot wait to get to know each and every one of you very soon! I have already heard lots of great things about you all, especially how hard working and creative you are which I am sure will continue next year.

I have already prepared lots of enjoyable and creative activities for us to do when we come together as a class. I am hoping you are going to enjoy them like I think you will!

I hope you all have a lovely summer holiday, making lots of memories with all your family and friends. Let's hope the weather is kind to us, so we can have even more fun with everyone!

Over the summer I will be preparing our classroom with exciting and interesting things to help us all enjoy learning even more. I am also going to try and go on lots of walks as it's something I have really enjoyed whilst we have had lots of time off school. Maybe I will even take a trip to the seaside for some fish and chips and an ice cream!

I cannot wait to hear about everything you have been getting up to! Maybe you could take some photographs to bring in and show everyone in September.

I am looking forward to seeing you all refreshed for another school year!

Stay safe and I will see you very soon!

From

Miss Jackson xx
