**National Flu Campaign**

This autumn school term your child will be offered a flu vaccination in school. The vaccination is being offered to all children from Reception to Year 11 as part of a national health campaign to protect vulnerable people including young children from flu this Autumn and Winter.

Please click the link to complete the consent form within 7 days, you will need the following code for your child's school 107655 <https://www.locala.org.uk/services/immunisation-service/flu-vaccination-south-kirklees>

It is important that you complete the consent form whatever your decision so your child can be included in the school session or removed from our list to ensure no further follow up is made. Please indicate 'all classes' when completing the form, you do not need to email with class details.

Thank you for all your help.

Regards

Linda
