

20th September 2021

Dear Parents and Carers,

I am writing to propose what I hope will become a very useful and worthwhile system which will benefit a large number of children who attend our school.

As a parent of children who play a lot of sport, I am now on first name terms with most of the staff at Sports Direct. I also seem to be shelling out for trainers and football boots on a termly basis. Our garage is becoming increasingly full of sports shoes that are perfectly serviceable if only they would grow alongside my children.

I intend, from now on, to bring Finn and Evie's old football boots and trainers to school, where they will be sorted into shoe size boxes, for any other parent to have for their children. If anyone wishes to join me in doing this I would be very grateful and it would be wonderful to have our very own boot room (Mrs Brown's office perhaps) full of different sized sports shoes available to Nabb parents, free of charge.

Once we have a number of donations received, I will issue an update to all parents with a 'stock list' and we can get the ball rolling.

Best wishes,

Jon Warrener
