# TURNING KIRKLEES PINK FOR EDEN

**Eden Smith is a little girl from Huddersfield who is undergoing invasive treatment for Stage 4 Neuroblastoma - a very rare childhood cancer.**

We are organising local events to raise funds for Eden to ensure she gets the treatment she needs in America, as it is currently not available in this country.

On 10th March, Eden will turn 7 and we would love you or your organisation to get involved and help us to turn Kirklees pink for the day - to raise as much money as we can for Eden's treatment.

## How could you help?

Ask students/ staff/ colleagues or even bosses to wear pink for the day in return for a donation to Eden's Army. You could turn your school/ college/ building/ office pink if you are able to do so.

## Please get involved!

If you would like to get involved contact Lee Smith - [lee@edens-army.co.uk](mailto:lee@edens-army.co.uk) or **0783 40 43 430**
