

3 March 2022

Dear Parents and Carers,

This is a quick note to draw your attention to the White Rose 1-Minute Maths App. It is free to download from the App Store, Google Play and Amazon Kindle – see the link below – and it looks to compliment the subitising, addition and subtraction work that is taught in Early Years and Key Stage 1 Maths. The format of the questions and hints is in keeping with much of the daily teaching of Maths that your children will experience at school.
