

21 September 2022

Dear Parents and Carers,

On Monday 26 September, staff from Northorpe Hall Child and Family Trust, who work to support the health and well-being of Kirklees children, young people and families, will be coming into school to deliver a workshop called 'Managing Worry' which is designed for children between 8 and 11 years of age.

We have attached the PowerPoint presentation that forms the basis of the workshop to this email and if you feel that your child would potentially benefit from attending one of the two sessions, please contact the school office to book a place for them.

The sessions will run from 10am to 11am and from 11am to 12 noon. A maximum of 15 places are available for each session.

Should you wish to speak to the school about this offer, please do not hesitate to me on the school telephone number or by email.

Best wishes,

Jon Warrener

SENDSCO and Deputy Headteacher
