

# WHO ARE FONS?

(Friends of Nabb School)

We are a small group of parents, teachers and friends who work together with the school. We help raise extra funds to support all Holmfirth Junior, Infant and Nursery children and give them the best school experience possible. Any parent, carer or family member can join us. You can be as involved as much as you want. Join our helpers team to be an occasional volunteer or become a committee member getting involved with the ideas and planning of the events, all are welcome.

## WHERE DOES THE NAME COME FROM?

Holmfirth Junior, Infant and Nursery School used to be known as NABB school many years ago. It has since changed its name, but is still known fondly as NABB school to those in the area. We have kept the name friends of NABB school due to the history associated with it.
