Revision Guides for Year Six

Dear Parents and Carers,

This week, Year 6 will be coming home with an order form for SATs revision guide books from CGP. Each year we provide this order form which we use to bulk-buy copies of any books that parents and children may like at a discounted price. For each child, we have highlighted some books we think may be useful based on successes in the past and the ability of the pupil.

In previous years, these books have provided parents with an extra insight into some of the types of questions your children will be tackling in the SATs and they have supported those children who want to spend a little bit of time practising some of the areas of work about which they feel less confident. To order, please indicate the books you wish to order and return the order booklet along with cash or a cheque for the full amount made payable to Holmfirth JIN.

That said, they are not essential to your child's success and I do not want anyone to feel under pressure to buy a stack-load of extra bedtime reading! We have copies and resources in school so please don't feel the need to buy lots!

As always, please get in touch if you want to discuss the options further.

Many thanks,

Emily Robinson
