

Investigating our local area

Dear Parents/Carers,

On Wednesday 1 March we will be going on a trail around Holmfirth. We will be studying geographical features, environmental issues and historical places in the town centre.

This trip will take most of the day therefore children will need to wear comfortable footwear and appropriate warm clothes for the weather on that day. Please bring a **back pack** to hold their lunch. They will need their hands free to complete fieldwork so this is really important.

Please bring a packed lunch, a snack and drinks for the day.

Kind Regards

Miss Moore and Mrs Turner
