

27 March 2023

Dear Parents and Carers,

First of all, I just wanted to express how proud I am of all the children in Year 6 for their superb effort and attitude this half term. Every single child has made huge amounts of both academic and personal progress throughout the year and I am incredibly happy with the position we are in going into the summer term.

As I am sure you are all aware of, we have a number of key events coming up in the summer term, one of the biggest ones being our residential visit to Cliffe House. Therefore, I will be holding an informal meeting for parents on Tuesday 25<sup>th</sup> April at 4:30pm to provide a little more information about this and other key details of the summer term. During this meeting, I will go through a presentation about Cliffe House and provide information including: kit lists, itineraries and transport arrangements as well as answering any questions and queries parents or children may have.

I will also take this opportunity to introduce our 'Relationships and Sex Education' PSHE unit to parents and provide an overview of what will be discussed during this sensitive topic as well as answering any key questions about SATs/transition to Holmfirth High School.

If you are unable to attend this meeting, please do not worry. The Cliffe House presentation and any other information can be sent home via email or seesaw.

Thank you for your continued support.

Regards,

Emily Robinson
